

TUBE DIGITAL CALIPER 5 MICRONS

- For tube thickness measurements
- Electronic module with 5 micron resolution
- Modification with self lubrication patented technology (Pat. UA 201707025)
- Modification with Built-in Wireless data output module for data transfer to Windows PC or Android devices
- Standart & Energy saving Wireless modes
- MDS Lite software for Windows PC or Android device for FREE
- 100% metrological control
- ISO 17025 certificate for requirement

Built-in Wireless data output module (Modification)
