

TRANSFORMER CALIPER

- Patent UA 108362, UA 108438, UA 111194, UA 110139 by MICROTECH
- Measuring range up to 20 m (in 10 times wider then DIN)
- Modular design (biggest part up for 2100mm)
- Easy transportation and assembling
- With setting ring for error compensation
- Modification with Built in Wireless data output module or Built in computer with Touch screen (Pat. UA 99687)
- Jaws up to 1000 mm
- Mathematical and temperature error compensation
- Roll guides
- 100% metrological control
- ISO 17025 certificate for requirement

DESCRIPTION
