

## WIRELESS DEPTH CALIPER

- Resolution 5  $\mu\text{m}$
- Modification with self lubrication patented technology (Pat. UA 201707025)
- Built-in Wireless data output module for data transfer to Windows PC or Android devices
- MDS software for Windows PC or Android device for FREE
- Standart & Energy saving Wireless modes
- 3V battery CR2032
- 100% metrological control
- ISO 17025 certificate for requirement

## DESCRIPTION

SOFTWARE FOR WINDOWS PC AND ANDROID FOR FREE

**WIRELESS**  
data output module

**METROLOGICAL CONTROL**  
**MICROTECH**

Item No	Range	Resolution	Accuracy	Base	Self lubrication	Data output
